FEMA ICS FORM 202	1. FEMA Disaster Number:	2. Date/Time Prepared:	
INCIDENT OBJECTIVES	FEMA-4332-DR-TX	08/31/2017 1700 CDT	

4. Operational Period: 09/01/2017 0700 CDT to 09/02/2017 0700 CDT

#### 5. General objectives for the Incident:

Objective Number	Description
	Provide support for the safety of responders and citizens by observing and practicing recognized safety-related guidelines.
2	Mobilize resources and respond to requests for search and rescue, evacuation, sheltering, and medical operations.
3	Provide requested resources to the Disaster District Coordinators (DDCs) in a timely manner to meet the needs of survivors, including lifesaving and stabilization operations and life-sustaining materials and supplies.
9	Provide accessible mass care survivor support to include sheltering, feeding, evacuations, reunifications and transitional sheltering assistance.
4	Stabilize and restore critical infrastructure to minimize threats to public safety and facilitate recovery.
	Maintain communication and information flow regarding resources with appropriate federal, state, and local stakeholders and assuring coordination through the affected Disaster District Coordinators (DDCs).
7	Provide accurate, actionable and accessible survivor-centric information to all stakeholders on response activities and initial recovery information.
10	Identify temporary short-term housing requirements. Implement TSA and develop long term housing strategy.
8 a	Conduct survivor registrations in shelters and other locations in coordination with local officials.
11	Conduct Assess, Inform, and Report (A.I.R.) mission.
12	Provide technical assistance to local applicants for debris operations.

#### 6. Weather Forecast for Period (Only if significant to Operations)

#### River Flooding This Operational Period:

Record flooding is expected to continue along the Buffalo Bayou (upstream by Addicks, holding steady), Brazos River near Richmond (cresting), San Bernard River near Boling (receding), Trinity River at Liberty (receding), Neches River, Village Creek at Kountze, and Pine Island Bayou near Sour Lake (receding).

Major Flooding will continue along the Guadalupe River at Victoria (receding) and Bloomington (rising), Colorado River at Wharton (receding), San Jacinto River at Humble (receding) and Sheldon (receding), and the Trinity River at Liberty (receding) and Moss Bluff (cresting).

Moderate flooding will continue along the Navidad and Lavaca Rivers (both receding).

#### Harris County Branch and Branch II:

Heat index values will push into the middle to upper 90s during the afternoon hours. Sustained winds will be light and variable. Isolated showers and thunderstorms are possible near the coast and far southeast portions of Branch II through the operational period. Visual Flight Rules are expected for air operations.

#### Branch VI:

Heat index values will push into the middle to upper 90s during the afternoon hours. Sustained winds will be light and variable in the morning, then from the southeast at speeds around 5-10 mph through the evening. No precipitation expected through the operational period. Visual Flight Rules are expected for air operations.

#### Branch III:

Heat index values will push into the middle to upper 90s during the afternoon hours. Sustained winds will be from the southeast at speeds around 5-10 mph, with a few gusts to 15 mph. No precipitation expected through the operational period. Visual Flight Rules are expected for air operations.

#### 7. General/Safety Message

Please remember that school has returned to most of the counties in Texas. Although the rain has ceased it does not mean that roads will not have large puddles of water. Also flash flooding is still possible since the bayous and rivers are in flood stage.

Drive safely. If you may be driving through school zones obey the speed limits and bus stops. Maintain a safe distance from the vehicles moving in front of you since there may be areas where sudden stops will be needed. Roads that may seem possible to cross may be flooded when you are returning. As always, don't drown, turn around.

Ensure all staff have 100% accountability.

#### **GENERAL MESSAGE (FEMA ICS FORM 213)**

TO: All Hands POSITION:

FROM: Jonathan Byrd POSITION: Safety Officer

SUBJECT: Safety Message DATE/TIME: 08/29/2017 1700 CDT

#### MESSAGE:

#### IF YOU ARE IN AN ACCIDENT

Below are some tips for handling and reporting any accidents that occur while you are driving a rental car, a government-owned or leased vehicle, or personal vehicles while on official sanctioned FEMA business.

- 1. Check for personal injuries to other parties and yourself and call for help if necessary.
- Contact the local police if applicable.
- 3. Don't move the vehicles unless the cars are obstructing traffic flow.
- 4. You should NOT make any statement that admits guilt or fault to anyone, or make statements as to paying for damages.
- 5. If a police officer asks you for proof of insurance, provide the officer with the insurance card for the rental car. Additionally, you can hand out the accident brochure that is available from the Safety Office that provides information and lists contact numbers for FEMA's claims specialists.
- 6. Don't provide the other driver with your personal insurance information. Instead, provide the other driver with the following claims contacts

FEMA Office of the Chief Counsel.

Jacqueline A. Nantier Senior Claims Specialist

Office of General Counsel

FEMA

500 "C" St., SW Suite 840 Washington, DC 20472 Phone: 202.646.7397

Fax: 202-646-4114

Email: Jacqueline.nantier@dhs.gov

Margaret Ramos

Senior Claims Specialist Phone: 202.646.4326 Fax: 202-646-4114

Email: Margaret.ramos@dhs.gov

- 7. Write down the other driver's information, including: name, address, phone number, insurance information (including policy number if available), driver's license number, state where the driver's license was issued.
- 8. Contact the following individuals: The Safety Officer, The Security Officer, your Supervisor and your rental car company if applicable.
- 9. Complete the rental car company's accident report. Complete Standard Form (SF) 91 Motor Vehicle Accident Report. Your supervisor must sign the report to verify that you were operating the vehicle within the scope of your employment. Make sure you attach a copy of the rental contract and any available police report, pictures and any reports you made to the rental car agency.

## PREVENTING CAR THEFT & BREAKINS

- Never leave your car running or the keys in the ignition when you're away from it, even for "just a minute."
- Always roll up the windows and lock the car.
- Never leave valuables in plain view, even if your car is locked. Put them in the trunk or at least out of sight.
- Park in busy, well-lighted areas.
- Carry the registration and insurance card with you.
- Don't leave personal identification documents or credit cards in your vehicle.
- When you pay to park in a lot or garage, leave just the ignition key with the attendant. Make sure no personal information is attached.

## WHAT ABOUT CARUACKING?

Carjacking—stealing a car by force—has captured headlines in the last few years.

Statistically, your chances of being a carjacking victim are very slim, and preventive actions can reduce the risk even more.

- Approach your car with the key in hand. Look around and inside before getting in.
- When driving, keep your car doors locked and windows rolled up at all times.
- Be especially alert at intersections, gas stations, ATMs, shopping malls, convenience and grocery stores—all are windows of opportunity for carjackers.
- Park in well-lighted areas with good visibility, close to walkways, stores, and people.
- If the carjacker has a weapon, give up the car with no questions asked. Your life is worth more than a car.

## BEWARE OF THE "BUMP-AND-ROB"

It works like this. A car, usually with a driver and at least one passenger, rearends or "bumps" you in traffic.

You get out to check the damage.

The driver or one of the passengers jumps in your car and drives off.

If you're bumped by another car, look around before you get out. Make sure there are other cars around, then check out the car that's rear-ended you and who's in it. If the situation makes you uneasy, stay in the car and insist on moving to a police station or busy, well-lighted area to exchange information.

Keep in mind that if you're a driving a FEMA rental car, the police must be called to take a report if there is damage or injury.

## Submitting the Accident Report

The FEMA driver must complete the SF91, "Motor Vehicle Accident Report" and attach supporting documentation.

#### Be sure to:

- Sign and date block 71a and 71b.
- Use a permanent (not temporary) home address and phone in "Section VIII – Extra Details".
- Have your supervisor fill out block 81a, 81b, 82a, 82b, and 82c.
- Attach legible copies of the following:
  - Rental agreement
  - o Rental agency accident report
  - o Police report, if applicable
- Maintain a copy of all documents for your personal records.
- If requested by FEMA's Office of Chief Counsel, digital photos and/or a SF94, "Statement of Witness" may be required.
- Provide the Disaster Safety Officer with a copy of the Accident Report and supporting documents.

The Safety Officer will fax and mail a hardcopy of these to the Office of Chief Counsel.

If you are contacted about the accident or payment, by anyone other than the rental company, notify:

# Vehicle Accident Reporting

For a Government Vehicle

L 268 / October 2009

## **Vehicle Accidents**

Many FEMA disaster employees use rental vehicles on a daily basis to perform their work. These "Government vehicles" may be used only for the conduct of official agency business, which includes traveling between a temporary duty station and temporary residence and similar places necessary for the sustenance, comfort, or health of the employee.

When a vehicle is used for official purposes, the government covers the employee for accident liability and worker's compensation. This policy covers GSA vehicles, rental vehicles, and personal vehicles while on officially sanctioned FEMA business.

Unauthorized use of a rental vehicle is considered personal use and is not considered to be "official travel" or "official use of the vehicle."

## When an Accident Occurs...

If you should get in a vehicle accident while on official government business, follow these procedures.

#### What You Should Do

- Check for personal injuries to other parties and yourself and call for help if necessary.
- Write down the other driver's information to include:

Name Address

Phone number

Insurance company

Policy number

Driver's license number

The state where the driver's license was issued

- Contact the following individuals:
  - The local police, if applicable
  - o The Disaster Safety Officer
  - The Security Officer
  - Your supervisor
- Notify the rental company and complete their accident report. Keep a copy to attach to your FEMA report.
- A claims representative may contact you to review the accident report you submitted or to take a formal accident statement. Under the terms of the government agreement, you are required to cooperate.

#### What You Should NOT Do

- Make any statement which admits guilt or fault to anyone.
- Move the vehicles unless they are obstructing traffic flow.
- Provide the other driver with your own personal insurance information.
